Client ; Department of the Taoiseach

Designer of the Garden of Ireland, (Recipient of 17 awards including Gold Medal and Best Prize International Garden) at Expo 90, Osaka, Japan.

The International Garden and Greenery Exposition held at Tsurumi Ryokuchi in Osaka in 1990 was the first major international horticultural exposition held in Asia. It was recognised as a special exposition by the Bureau International des Expositions (B.I.E) and a Category A event by the Association International des Producteurs de 'Horticulture (A.I.P.H.). The Exposition was organised "to revive and recognise a new the Japanese people's long held love and respect for nature, defining what is meant by a 'truly rich society,' through originality, creativity and thoughtfulness on the part of those involved extolling the coexistence of nature and mankind." (Eishiro Saito, Chairman of Japan Association for the International Garden and Greenery Exposition 1990.) The site of the Exposition covered 140 hectares with participation from 82 nations and 55 international organisations, the number of visitors over the 6 month period was 23,084,000. participation from 82 nations and 55 international organisations, the number of visitors over the 6 month period was 23,084,000.
